28th Annual Meeting

Final Call for Abstracts, Short Courses & Sessions

Due Monday February 11th at 5 pm to: pnwsetac2@gmail.com

You are cordially invited to submit an abstract for the 28th Annual Conference of the Pacific Northwest Chapter of the Society of Environmental Toxicology & Chemistry (PNW-SETAC) to be held **April 4-6, 2019** at the [Hilton Hotel](#) in Vancouver, WA (301 W. 6th St.). More information and instructions are available at <http://www.pnw-setac.org/meetings.html>. Online registration opens on **February 19th**.

Please consider submitting an abstract of your research you would like to present as a platform or poster presentation or, better yet, of a Short Course or Special Session you would like to chair on a topic of interest to you! Abstract submitters will be informed as to whether their abstracts have been accepted by **February 19th**. Platform presenters will also be provided the day and time of their presentation. Short courses and special sessions will be held on Thursday, April 4th.

Please follow the enclosed or online [Abstract Submission Guidelines](#) and indicate your preference for giving a platform or poster presentation, short course, or special session when submitting your abstract. **If you are a student**, please indicate your degree program and whether you want to be judged for Best Student Presentation Award.

ORAL PRESENTATIONS: PowerPoint presentations are limited to 15 minutes, with an additional 5 minutes for discussion or questions. Lettering should be large enough to be read at a distance of 100', e.g., 72 pt for titles, 42 pt for presenter affiliation, and 24 pt or greater for text.

POSTER PRESENTATIONS: should be able to fit on a 3' x 4' board using Velcro or tacks. Supplies will be provided onsite. Lettering on posters are the same size as for platform presentations.

STUDENTS: are especially encouraged to present their research project or thesis research at our less formal Chapter meetings to gain presentation experience. We offer **Best Student Presentation Awards** for both platform and poster presentations that involve a cash award, one-year free membership in PNW-SETAC and SETAC North America (including access to the *Environmental Toxicology and Chemistry* journal), and funds to attend the SETAC NA annual meeting in the fall.

Students should also apply for travel funds to attend the meeting using the [Application for Student Travel Funding](#). Applications **must** be submitted to **Ed Kolodziej** (koloj@uw.edu) no later than **Monday February 11th**. Students will be informed by **February 19th** regarding travel funds they have been awarded.

PNW-SETAC ABSTRACT SUBMISSION GUIDELINES

PLEASE follow instructions carefully!

Abstracts, excluding author and title lines, should be **no more than 300 words**. **Longer abstracts will be returned to the author for editing.**

The abstract should be in the format shown, below, following these instructions:

- Type the title of the abstract in bold and in Title case. Center the title on the page.
- List authors with the last name first, then the first and middle initials.
- In the case of 2 or more authors, place an asterisk *after the name of the person presenting the paper/poster.
- In cases of authors from different institutions, use a superscripted number at the end of each author's name and the corresponding number in front of their institution.
- Include the name of the institution, the city and state, but not the department affiliation or street address.
- Use **Time New Roman** font, **size 11**, one-inch left and right margins, **single spaced**, fully **justified** to right and left margins, species names should be in italics.
- Do not indent any part of the body of the abstract text. **Use "returns" for spacing.** The text should be a single paragraph.

The following information should be included after the abstract:

1. Presenting author and affiliation, Contact Author (we suggest that this be the presenting author)
2. Institution, complete mailing address, phone number, FAX number, and your E-mail address
3. Your preference for oral or poster presentation
4. **Students:** please indicate your degree program, e.g., M.S., B.S., PhD
5. Is this abstract for proposing a **Short Course?** _____ A **Special Session?** _____

EXAMPLE

Chemosensory Deprivation in Juvenile Coho Salmon Exposed to Dissolved Copper Under Varying Water Chemistry Conditions
